Re: Application for 80-acre
Non-Standard Gas Proration
Unit, Tubb Gas Pool, Com-
prising N/2 of NE/4 of
Section 5, T-22-S, R-37-E,
Lea County, New Mexico

Oil Conservation Commission
State of New Mexico
P. O. Box 871
Santa Fe, New Mexico

Gentlemen:

Gulf Oil Corporation hereby makes application for approval of a non-standard gas proration unit comprising N/2 of NE/4 of Section 5, T-22-S, R-37-E, Lea County, New Mexico, and in support thereof states the following facts:

- (1) Gulf Oil Corporation is owner and operator of an oil and gas lease known as its Lee Stebbins "B" Lease, Lea County, New Mexico, as shown on the attached plat.
- (2) Gulf Oil Corporation proposes that the above described acreage be established as a non-standard 80-acre gas proration unit in exception to Rule 5 (a) of Order R-586.
- (3) The Lee Stebbins "B" Well No. ³5, located 660 feet from the North line and 460 feet from the East line of Section 5, T-22-S, R-37-E, Lea County, New Mexico was originally completed May 24, 1947, as an oil well in the Brinkard Oil Pool and was dually completed January 8, 1957, as a gas well in the Tubb Gas Pool. The applicant proposes to use this well as the unit well.
- (4) The proposed non-standard gas proration unit will meet the requirements of Rule 5 (b) of the Oil Conservation Commission Order No. R-586 as follows:
 - (a) Contiguous quarter-quarter sections will comprise the unit.

Re: Application for 80-acre
Non-Standard Gas Protection
Unit, Tubb Gas Pool, Com-
prising N/2 of NE/4 of
Section 5, T-22-S, R-37-E,
Las Comas, New Mexico

Gulf Conservation Commission
State of New Mexico
P.O. Box 871
Santa Fe, New Mexico

Gentlemen:

Gulf Oil Corporation hereby makes application for approval of a non-standard gas protection unit comprising N/2 of NE/4 of Section 5, T-22-S, R-37-E, Las Comas, New Mexico, and in support thereof states the following facts:

- (1) Gulf Oil Corporation is owner and operator of an oil and gas lease known as the "Las Comas" lease, Las Comas, New Mexico, as shown on the attached plat.
- (2) Gulf Oil Corporation proposes that the above described acreage be established as a non-standard 80-acre gas protection unit in exception to Rule 5 (a) of Order R-586.
- (3) The Las Comas "B" Well No. 1, located 600 feet from the North line and 400 feet from the East line of Section 5, T-22-S, R-37-E, Las Comas, New Mexico was originally completed May 24, 1947, as an oil well in the Tubb Oil Pool and was finally completed January 8, 1957, as a gas well in the Tubb Gas Pool. The applicant proposes to use this well as the unit well.
- (4) The proposed non-standard gas protection unit will meet the requirements of Rule 5 (b) of the Gulf Conservation Commission Order No. R-586 as follows:
 - (a) Contiguous quarter-quarter sections will comprise the unit.

1/21/57

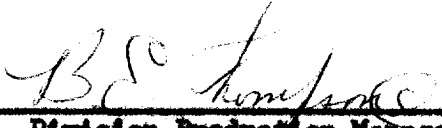

- (b) The proposed unit lies wholly within a single governmental section.
 - (c) All acreage within the proposed unit may reasonably be presumed productive of gas.
 - (d) The length or width of the proposed unit does not exceed 5280 feet.
 - (e) Gulf Oil Corporation is lessee and operator of all the acreage comprising the proposed unit as shown on the attached plat, and by copy of this letter of application, all operators owning interest in the section in which the proposed unit is located and all operators within 1500 feet of the proposed unit well are notified by registered mail of the intent of Gulf Oil Corporation to form the proposed non-standard gas proration unit. (See attached affidavit.)
- (5) The approval of this application for an 80-acre non-standard gas proration unit will, in the opinion of the applicant, prevent waste, protect correlative rights and serve the best interest of conservation.

In view of the existence of the facts herein stated and compliance with the provisions of Rule 5 (b) of the Oil Conservation Commission's Order No. R-586, Gulf Oil Corporation requests that the Secretary of the Commission approve the above described non-standard gas proration unit to become effective as soon as possible.

Respectfully submitted,

GULF OIL CORPORATION

(See next page)

- (c) The proposed unit shall be wholly within a single governmental section.
- (d) All acreage within the proposed unit may reasonably be presumed productive of gas.
- (e) The length or width of the proposed unit does not exceed 100 feet.
- (f) Gulf Oil Corporation is lessee and operator of all the acreage comprising the proposed unit as shown on the attached map, and by copy of the latter to each section, all operators owning interests in the section in which the proposed unit is located and all operators within 1000 feet of the proposed unit will be notified by registered mail of the intent of Gulf Oil Corporation to lease the proposed non-standard gas acreage unit. (See attached exhibits.)
- (g) The approval of this application for an 80-acre non-standard gas provision unit will, in the opinion of the applicant, prevent waste, protect conservative rights and serve the best interests of conservation.
- In view of the existence of the facts herein stated and compliance with the provisions of Rule 5 (c) of the Conservation Commission's Order No. 8-586, Gulf Oil Corporation requests that the Secretary of the Commission approve the above described non-standard gas provision unit to become effective as soon as possible.

Respectfully submitted,

STATE OF TEXAS

COUNTY OF TARRANT

BEFORE ME, the undersigned authority, on this day personally appeared J. R. Sherman, Division Gas Engineer of the Fort Worth Production Division of Gulf Oil Corporation, who, after being by me duly sworn, upon his oath states that, to the best of his knowledge, the statements contained in the foregoing Application of Gulf Oil Corporation, dated January 21, 1957, are true and correct and that copies of such Application were duly deposited on January 21st, 1957, in the United States post office as registered mail, with all charges prepaid, addressed to each of the parties shown receiving carbon copies of such Application.

J. R. Sherman

SUBSCRIBED AND SWORN to before me by the said J. R. Sherman this 21st day of January, 1957, to certify which witness my hand and seal of office.

J. H. King, Jr.
Notary Public in and for Tarrant
County, Texas
