Gentlemen:

This is to advise that on February 16, 1981 the Marathon Oil Company's Grizzell #1 gas well located in Unit 0 of Section 5, Township 22S, Range 37E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to Drinkard oil zone abandonment.

Yours truly,
