Gentlemen:

Due to the recently submitted gas-oil ratio test for your J. W. Grizzell Well No. 1 located in Unit 0 of Section 5, T-22-S, R-37-E, the Blinebry zone will be reclassified from oil to gas in accordance with the provisions of Division Order No. R-1670-N. The reclassification will be effective January 1, 1980, and the oil allowable will be cancelled that date.

Please advise when you have complied with the provisions of R-1670-N governing gas wells in the Blinebry Oil & Gas Pool in order that a gas allowable can be assigned.

Yours very truly,

OIL CONSERVATION DIVISION
