Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

Dear Sir:

On or about August 15, 1951, Ellis M. Rowland, Trucking Contractor, will transport approximately 500 barrels of crude oil from J. W. Grizzell, Drinkard Field, tank battery, located in the NE/4 of Section 8, T-22-S; R-37-E to Stanolind Oil and Gas Company's J. W. Grizzell Well #1 located in the SW/4 of Section 5, T-22-S; R-37-E, Lea County, New Mexico.

The above oil will be used in connection with an attempt by spinner survey to locate the interval from which gas is being produced.

Yours very truly,

Ralph L. Hendrickson
Field Superintendent
