

Oil Conservation Commission
Page No. 2
October 2, 1956

An electric log was not run on the subject well when it was completed in February, 1945, however, upon approval of this application a Gamma Ray log will be run and forwarded to the Commission showing total depth, formation tops, elevation, casing depth, and proposed perforations.

The approval of this application as outlined in the above proposal is respectfully requested.

Yours very truly,

ROWAN OIL COMPANY

Leroy Gideon
Production Superintendent
