

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

DUPLICATE

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping. It states that all transactions must be recorded in a timely and accurate manner, and that the records must be maintained for a minimum of five years.

3. The third part of the document discusses the role of the auditor in verifying the accuracy of the records. It states that the auditor must perform a thorough review of the records and must report any discrepancies to the appropriate authorities.

4. The fourth part of the document discusses the consequences of failing to maintain accurate records. It states that individuals who fail to comply with the requirements may be subject to fines and penalties.

5. The fifth part of the document discusses the importance of transparency and accountability in the financial system. It states that transparency is essential for the confidence of the public and for the stability of the financial system.

6. The sixth part of the document discusses the role of the government in regulating the financial system. It states that the government must ensure that the financial system is fair and transparent, and that it must take action to prevent and detect fraud.

7. The seventh part of the document discusses the importance of education and training for individuals involved in the financial system. It states that education and training are essential for the development of a skilled and knowledgeable workforce.

8. The eighth part of the document discusses the importance of cooperation and collaboration between the various stakeholders in the financial system. It states that cooperation and collaboration are essential for the effective implementation of the requirements.

9. The ninth part of the document discusses the importance of ongoing monitoring and evaluation of the financial system. It states that ongoing monitoring and evaluation are essential for the identification of areas for improvement and for the development of effective policies and procedures.

10. The tenth part of the document discusses the importance of public participation in the financial system. It states that public participation is essential for the development of a transparent and accountable financial system.
