PIPE LINE TAKING OIL Magnolia Pipe Line Company

REMARKS _____ COMPANY Magnolia Petroleum Company

SIGNED BY: W. A. Schmitt

1. The first part of the document

describes the general situation

and the main objectives of the study.

2. The second part of the document

describes the methodology used

to collect and analyze the data.

3. The third part of the document

describes the results of the study

and discusses the implications of the findings.

4. The fourth part of the document

describes the conclusions of the study

and provides recommendations for future research.

5. The fifth part of the document

describes the limitations of the study

and provides a summary of the findings.

6. The sixth part of the document

describes the acknowledgments of the study

and provides a list of references.

7. The seventh part of the document

describes the appendices of the study

and provides a list of figures and tables.

8. The eighth part of the document

describes the bibliography of the study

and provides a list of sources.

9. The ninth part of the document

describes the index of the study

and provides a list of topics.

10. The tenth part of the document

describes the glossary of the study

and provides a list of terms.

11. The eleventh part of the document

describes the list of figures and tables

and provides a list of descriptions.

12. The twelfth part of the document

describes the list of references

and provides a list of sources.

13. The thirteenth part of the document

describes the list of appendices

and provides a list of descriptions.

1. The first part of the document

describes the general situation

and the main objectives of the study.

2. The second part of the document

describes the methodology used

to collect and analyze the data.

3. The third part of the document

describes the results of the study

and discusses the implications of the findings.

4. The fourth part of the document

describes the conclusions of the study

and provides recommendations for future research.

5. The fifth part of the document

describes the limitations of the study

and provides a summary of the findings.

6. The sixth part of the document

describes the acknowledgments of the study

and provides a list of references.

7. The seventh part of the document

describes the appendices of the study

and provides a list of figures and tables.

8. The eighth part of the document

describes the bibliography of the study

1. The first part of the document

describes the general situation

and the main objectives of the study.
