

## NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

Hobbs, New Mexico

Place

6-26-46

Date

OIL CONSERVATION COMMISSION,  
Santa Fe, New Mexico

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as \_\_\_\_\_

Shell Oil Company, Inc.Thomas LongWell No. 2in NW 1/4 of NW 1/4

Company or Operator

Lease

of Sec. 11, T. 22 S, R. 37 E, N. M. P. M., Paddock Field, Lea County.

N.

The well is 1980 feet [N.] 55 of the South line and 630 feet

[E.] 25 of the West line of Section 11

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. \_\_\_\_\_ Assignment No. \_\_\_\_\_

If patented land the owner is \_\_\_\_\_

Address \_\_\_\_\_

If government land the permittee is \_\_\_\_\_

Address \_\_\_\_\_

The lessee is Shell Oil Company, Inc.

Address Box 2099, Houston 1, Texas

We propose to drill well with drilling equipment as follows: Rotary tools

to approximately 5300 feet.

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: \_\_\_\_\_

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
<u>17</u>	<u>13 3/8</u>	<u>48.4</u>	<u>New</u>	<u>350</u>	<u>Cemented</u>	<u>325</u>
<u>11</u>	<u>8 5/8</u>	<u>36.4</u>	<u>New</u>	<u>2900</u>	<u>Cemented</u>	<u>800</u>
<u>7 3/8</u>	<u>5 1/2</u>	<u>15.54</u>	<u>New</u>	<u>5300</u>	<u>Cemented</u>	<u>500</u>

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 5100 feet.

Additional information:

This proposed location deviates from the center of the unit as the Texas and New Mexico Railroad right of way passes through the unit and it was found necessary to move the location 30 feet due west in order to clear the right of way.

Approved \_\_\_\_\_, 19 \_\_\_\_\_  
except as follows:

Sincerely yours,

Shell Oil Company, Inc.  
Company or Operator

By W.B. HumbertPosition District Superintendent

OIL CONSERVATION COMMISSION,

By Ray NewbroughTitle Oil & Gas Engineer

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document also mentions the need for regular audits to verify the accuracy of the records and to identify any discrepancies.

In the second part, the focus is on the classification of transactions. It explains how different types of transactions should be categorized into specific accounts, such as sales, purchases, and expenses. This classification is crucial for the preparation of financial statements and for the analysis of the company's performance. The document provides examples of how to classify various types of transactions, such as cash sales, credit sales, and purchases on account.

The third part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

The fourth part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

In the fifth part, the focus is on the preparation of financial statements. It explains how the information from the ledger is used to prepare the balance sheet, income statement, and cash flow statement. The document provides a step-by-step guide to the preparation of each statement, including the formulas and calculations involved. It also mentions the importance of reviewing the statements for accuracy and consistency.

The sixth part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

The seventh part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

In the eighth part, the focus is on the preparation of financial statements. It explains how the information from the ledger is used to prepare the balance sheet, income statement, and cash flow statement. The document provides a step-by-step guide to the preparation of each statement, including the formulas and calculations involved. It also mentions the importance of reviewing the statements for accuracy and consistency.

The ninth part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

The tenth part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.

In the eleventh part, the focus is on the preparation of financial statements. It explains how the information from the ledger is used to prepare the balance sheet, income statement, and cash flow statement. The document provides a step-by-step guide to the preparation of each statement, including the formulas and calculations involved. It also mentions the importance of reviewing the statements for accuracy and consistency.

The twelfth part of the document discusses the importance of maintaining a clear and concise ledger. It explains that the ledger should be organized in a way that makes it easy to find and understand the information. This includes using clear headings, consistent formatting, and providing detailed descriptions of each transaction. The document also mentions the need for regular updates to the ledger to reflect the latest transactions.
