Hobbs, New Mexico

Gentlemen,

Enclosed herewith you will find three copies of your Form O-105 which is a well record of our recently completed Well #1 on the Shell-Thomas Long Lease in Section 11 South of Eunice.

We trust that this form has been properly completed. Because of the importance of the matter we would be happy to have you acknowledge receipt of this well record. Please advise if we have completed this form to your satisfaction.

This office is under the impression that our Mr. Golden furnished you with completed copies of the other reports required by your office and that the three copies enclosed are the only ones lacking. If we are in error about this matter and other reports are lacking please advise us.

Please let your reply be addressed to P. O. Box 3468, Odessa, Texas.

Let us thank you in advance for your assistance.

Sincerely Yours,

Oil Well Drilling Company
