Attention Mr. Marcus Winder

Gentlemen:

Due to the recently submitted gas-oil ratio test for your Long Well No. 5 located in Unit N of Section 11, T-22-S, R-37-E, it will be reclassified as an oil well in the Blinbry Oil & Gas Pool effective January 1, 1985, and the gas allowable will be cancelled that date.

Please submit two copies of a revised Form C-102 outlining a 40 acre proration unit for the oil classification, and in the event that a change of transporter(s) occurs due to this reclassification, please also submit Form C-104 so indicating.

Yours very truly,
