Gentlemen:

We would greatly appreciate it if you will change the name of our well in the NE of the SW of Sec. 12-22-37 to Neville G. Penrose, Inc., No. 1 Henton.

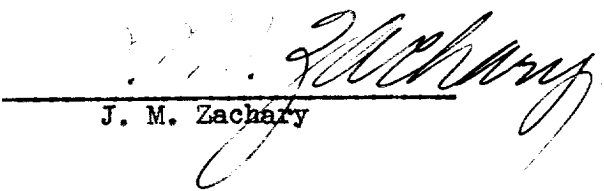

Permit was granted for this well in the name of No. 1 Rodgers; however, we have been advised by Mr. Rodgers that he objects to this well being so designated. We would therefore appreciate your changing the name accordingly.

Very truly yours,

NEVILLE G. PENROSE, INC.
