

## NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

1. The first part of the document

describes the general situation

and the main objectives of the study.

2. The second part of the document

describes the methodology used

to collect and analyze the data.

3. The third part of the document

describes the results of the study

and discusses the implications of the findings.

4. The fourth part of the document

describes the conclusions of the study

and provides recommendations for future research.

5. The fifth part of the document

describes the limitations of the study

and provides a summary of the findings.

6. The sixth part of the document

describes the acknowledgments of the study

and provides a list of references.

7. The seventh part of the document

describes the appendices of the study

and provides a list of figures and tables.

8. The eighth part of the document

describes the bibliography of the study

and provides a list of references.

9. The ninth part of the document

describes the index of the study

and provides a list of references.

10. The tenth part of the document

describes the conclusion of the study

and provides a list of references.

11. The eleventh part of the document

describes the appendix of the study

and provides a list of references.

12. The twelfth part of the document

describes the bibliography of the study

and provides a list of references.

13. The thirteenth part of the document

describes the index of the study

and provides a list of references.

14. The fourteenth part of the document

describes the conclusion of the study

and provides a list of references.

15. The fifteenth part of the document

describes the appendix of the study

and provides a list of references.

16. The sixteenth part of the document

describes the bibliography of the study

and provides a list of references.

17. The seventeenth part of the document

describes the index of the study

and provides a list of references.

18. The eighteenth part of the document

describes the conclusion of the study

and provides a list of references.

19. The nineteenth part of the document

describes the appendix of the study

and provides a list of references.

20. The twentieth part of the document

describes the bibliography of the study

and provides a list of references.

21. The twenty-first part of the document

describes the index of the study

and provides a list of references.

22. The twenty-second part of the document

describes the conclusion of the study

and provides a list of references.

23. The twenty-third part of the document

describes the appendix of the study

and provides a list of references.

24. The twenty-fourth part of the document

describes the bibliography of the study

and provides a list of references.

25. The twenty-fifth part of the document

describes the index of the study

and provides a list of references.

26. The twenty-sixth part of the document

describes the conclusion of the study

and provides a list of references.

27. The twenty-seventh part of the document

describes the appendix of the study

and provides a list of references.

28. The twenty-eighth part of the document

describes the bibliography of the study

and provides a list of references.

29. The twenty-ninth part of the document

describes the index of the study

and provides a list of references.

30. The thirtieth part of the document

describes the conclusion of the study

and provides a list of references.

31. The thirty-first part of the document

describes the appendix of the study

and provides a list of references.

32. The thirty-second part of the document

describes the bibliography of the study

and provides a list of references.

33. The thirty-third part of the document

describes the index of the study

and provides a list of references.

34. The thirty-fourth part of the document

describes the conclusion of the study

and provides a list of references.

35. The thirty-fifth part of the document

describes the appendix of the study

and provides a list of references.

36. The thirty-sixth part of the document

describes the bibliography of the study

and provides a list of references.

37. The thirty-seventh part of the document

describes the index of the study

and provides a list of references.

38. The thirty-eighth part of the document

describes the conclusion of the study
