Dear Mr. Price:

Currently in our ONGARD system we have three (3) gas POD's assigned to your Edith Butler "B" Well No. 1 well as follows:

1241330	Transporter:	Warren Petroleum
2804521	Transporter:	Northern Natural Gas Co
2805465	Transporter:	Warren Petroleum

Would you please advise this office by corrected C-104 which of the above POD's is correct and is being reflected on your C-115's. An error message will be generated from your C-115's in Santa Fe if our records are not in agreement.

Thank you for your attention to this matter.

Yours very truly,
