Gentlemen:

Due to the recently submitted gas-oil ratio test for the Tubb zone in your Hinton Well No. 10 located in Unit D of Section 13, T-22-S, R-37-E, the well is being reclassified as an oil well in the Tubb Oil & Gas Pool effective January 1, 1982, and the gas allowable is being cancelled and an oil allowable assigned.

Please submit two copies of Form C-102 outlining a 40 acre production unit for the oil classification. In the event that a change of transporter(s) occurs due to this reclassification, please submit Form C-104 so indicating.

Yours very truly,

OIL CONSERVATION DIVISION
