Gentlemen:

In a letter from you dated February 12, 1957, you stated that Skelly was taking the casinghead gas from your Hinton No. 10 in Unit D of Section 13, T-22-S, R-37-E and that you would file Form C-110 showing them as the gas transporter. We have not as yet received this form, however.

Your early attention to this matter will be appreciated.

Yours very truly,
