Gentlemen:

Our records do not reflect a casinghead gas connection for your Elliott B-13 No. 1 in Unit E of Section 13, T-22-S, R-37-E, Blinberry Oil Pool. If you do have a connection, please file Form C-110 showing the authorized transporter; if you do not it will be necessary for you to make application for a No-Flare Order for the well to comply with the provisions of Commission Order R-610.

Yours very truly,
