Re: Reclassification of Wells
Blinebry Oil and Gas Pool

Gentlemen:

Due to the recently submitted gas-oil ratio test for your wells listed below, they will be reclassified as gas wells in the Blinebry Oil and Gas Pool effective January 1, 1987, and the oil allowables will be cancelled that date.

E. A. Sticher #2-N	Sec. 4, T22S, R37E
R. E. Cole NCT-A #6-B	Sec. 16, T22S, R37E
Hugh #6-H	Sec. 14, T22S, R37E
Mark #7-H	Sec. 3, T22S, R37E

*Reclassified new
to remain
oil*

If for some reason you feel the recently submitted tests do not reflect the proper classification of the wells, please submit another test for our consideration.

Please furnish this office with revised acreage dedication plat, Form C-102, outlining acreage dedicated to each gas well. Also, if the transporters change as a result of reclassification, please submit Form C-104 so indicating. Please advise this office if the gas well gas is separately metered.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
