	OTHER: <input type="checkbox"/>

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On January 8, 1997, we added perms 5677-5877 (50 shots) to the Blinebry zone. We then acidized and fracture treated. The gas - oil ratio test shows that the Walden #2 should now be reported in the Blinebry Oil & Gas (06660) rather than the Blinebry Oil & Gas (Pro Gas) (72480). Effective January, we will no longer report production in the Blinebry Oil & Gas (Pro Gas) (72480).

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
