12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has been producing from both the Blinbry Oil & Gas and the Drinkard zones. On 1/6/97, we set a CIBP at 6200' with 35' of cement on top. We then added perfs and re-stimulated the Blinbry. We will no longer report production in the Drinkard as this zone as been zone abandoned as of January 1997.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
