Col. Joe County.

Dear Betty:

The above captioned well was completed on August 8, 1940. Would you please check your records for Form C-110 approved at that time.

Recently Rowan Oil Company advised that Form C-110 on this well showing change of ownership had been filed. We found that we did not have a Form C-110 filed on this well.

Thank you,

Clarence

Clarence - Form C-110 was filed on this well by Geo. W. Welden on 4-20-42. Saw this well again in 1940 as per log. We must have a Form C-110 on this well. If you could

Dear Mr. Brants:

Enclosed please find Form C-110, Certificate of Compliance and Authorization to Transport Oil, on your L. L. Walden #2 Well in Sec. 15, T. 22S, R. 37E, Unit C, Lea County, New Mexico.

Upon checking my records I find this well to be in the Penrose-Skelly Pool instead of the South Tunica as you reported.

Will you please make this correction and return to this office for our approval.

Very truly yours,

Secretary - Hobbs Office
