RE: Application to Dually Complete
Rowan Oil Company
No. 4-B-15 Elliott

New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Gentlemen:

Continental Oil Company is presently contemplating dually completing from the Tubb and Blinbry gas zones their 1-B-15 Elliott well, Section 15, T-22-S, R-37-E, Lea County, New Mexico. Since this well is in the same unit of the subject application, and since we agree their well is the logical well to dually complete, we wish to withdraw our application to dually complete our 4-B-15 Elliott well, assuming, of course, Continental's application is approved.

Yours very truly
