FORT WORTH 2 - TEXAS

Dear Sir:

We have your letter of May 3, 1954, in which you withdraw your previously submitted request for administrative approval of a gas-oil dual completion of your Elliott No. 4-B-15 Well, NE/4 NE/4 Section 15, Twp. 22 South, Rce. 27 East, NMPM, Lea County, New Mexico.

You advise that Continental Oil Company is contemplating dual completion of its Elliott No. 1-B-15 (from the Tubb and Blinbry gas zones), and that you wish to withdraw your application in favor of theirs, since both wells are in the same unit. The Continental application has not yet been received; however, we are removing your application from the abeyance list of prospective duals.

Very truly yours,

W. B. Macey
Chief Engineer
