OIL CONSERVATION COMMISSION,
 Santa Fe, New Mexico.

Place

Date

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as **Rowan**
Drilling Company and M. G. Penrose Walden

Well No. **1** in **NW 1/4 of NW 1/4**
 of Sec. **15**, T. **22S**, R. **37E**, N. M. P. M., **Rowan-Penrose** Field, **Lee** County.

The well is **660** feet **XX** (N.) (S.) of the **North** line and **660** feet
 (E.) **XX** of the **West** line of **Section 15**

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. _____ Assignment No. _____

If patented land the owner is **Earnest W. Walden**

Address **Circle, Texas**

If government land the permittee is _____

Address _____

The lessee is _____

Address _____

AREA 640 ACRES
 LOCATE WELL CORRECTLY

approximately 1150'

We propose to drill well with drilling equipment as follows: **Rotary to**
approximately 1150', cable tools to total depth of approximately 3700'

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: **Permanent bond on file**

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
11"	8-5/8"	28#	2nd Hand	1150'	Cemented	500'
8"	7"	20#	New	3500' Approx.	Cemented	150'

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about **3500** feet.

Additional information:

Approved _____, 19____
 except as follows:

You must run a string of surface casing which may be pulled after running the 8 5/8 which must be cemented to the bottom of the cellar.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable sources of information.

3. The third part of the document describes the process of identifying and addressing potential risks and challenges. It stresses the importance of proactive risk management and the need to have contingency plans in place to mitigate any potential issues.

4. The fourth part of the document discusses the role of communication and collaboration in the success of the project. It emphasizes the importance of clear communication and the need for all team members to work together effectively.

5. The fifth part of the document provides a summary of the key findings and conclusions of the study. It highlights the main points discussed throughout the document and provides a final assessment of the overall results.

6. The sixth part of the document includes a list of references and a bibliography. It provides a comprehensive list of all the sources used in the research and analysis, ensuring that the information is properly cited and documented.

7. The seventh part of the document contains a list of appendices and additional information. This section provides further details and data that support the main findings of the study, allowing readers to explore the information in more depth.

8. The eighth part of the document includes a list of figures and tables. These visual aids are used to present complex data in a clear and concise manner, making it easier for readers to understand the results of the study.

9. The ninth part of the document contains a list of footnotes and endnotes. These provide additional information and references that are not included in the main body of the text, ensuring that all relevant information is properly documented.

10. The tenth part of the document includes a list of acknowledgments and a thank you note. This section expresses gratitude to all the individuals and organizations that have supported and assisted in the completion of the project.

11. The eleventh part of the document contains a list of contact information and a disclaimer. This section provides details about the author and the organization, as well as a statement regarding the use and distribution of the document.

12. The twelfth part of the document includes a list of glossary and a list of abbreviations. These sections provide definitions for key terms and abbreviations used throughout the document, ensuring that all readers can understand the content.

13. The thirteenth part of the document contains a list of index and a list of references. These sections provide a comprehensive overview of the document's content and a list of all the sources used in the research and analysis.

14. The fourteenth part of the document includes a list of appendices and a list of figures. These sections provide additional information and data that support the main findings of the study, allowing readers to explore the information in more depth.

15. The fifteenth part of the document contains a list of footnotes and endnotes. These provide additional information and references that are not included in the main body of the text, ensuring that all relevant information is properly documented.

16. The sixteenth part of the document includes a list of acknowledgments and a thank you note. This section expresses gratitude to all the individuals and organizations that have supported and assisted in the completion of the project.

17. The seventeenth part of the document contains a list of contact information and a disclaimer. This section provides details about the author and the organization, as well as a statement regarding the use and distribution of the document.

18. The eighteenth part of the document includes a list of glossary and a list of abbreviations. These sections provide definitions for key terms and abbreviations used throughout the document, ensuring that all readers can understand the content.
