DEPARTMENT OF CHEMISTRY

It is the policy of the Department of Chemistry to accept for consideration for admission to the graduate program only those persons who have completed a four-year undergraduate program in chemistry or a related field with a minimum grade point average of 3.0 on a 4.0 scale. Applicants should submit a statement of their academic record, a statement of their research interests, and a statement of their career goals. They should also submit a letter of recommendation from a faculty member who has known them for at least two years. The Department of Chemistry reserves the right to accept or reject any applicant for admission to the graduate program.

Applicants should submit their applications to the Department of Chemistry, 5708 South University Avenue, Chicago, Illinois 60637. The deadline for applications is January 15th of each year. Applicants who are accepted for admission to the graduate program will be notified by the Department of Chemistry. They will be required to submit a statement of their research interests and a statement of their career goals. They will also be required to submit a letter of recommendation from a faculty member who has known them for at least two years. The Department of Chemistry reserves the right to accept or reject any applicant for admission to the graduate program.
