

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

UNITED STATES DEPARTMENT OF AGRICULTURE
BUREAU OF PLANT INDUSTRY

REPORT OF THE COMMISSIONER OF PLANT INDUSTRY

For the year ending June 30, 1911.

WASHINGTON: GOVERNMENT PRINTING OFFICE, 1912.

The following is a list of the principal plants and animals which have been introduced into the United States since the year 1900, and which are now being raised or bred in this country. The list is arranged in alphabetical order of the names of the plants and animals, and is intended to give a general idea of the progress of plant and animal industry in this country during the past decade.
