12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well is downhole commingled and has been actively producing from both the Blinbry Oil & Gas and the Drinkard zones. On 4/21/97, we set a CIBP at 6180' and dumped 30' of cement on top zone abandoning the Drinkard zone. We will no longer report production in the Drinkard zone on our C-115 report as of May 1997 as it has been zone abandoned.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
