Gentlemen:

We are returning an approved copy of Form C-102, Notice of Intention to Dually Complete your E. M. Elliott No. 3 in Unit B of Section 22, T-22-S, R-37-E.

We wish to call to your attention, however, that since this well is on Federal acreage it will be necessary for you to submit your proposed dual completion to the U.S.G.S. on the proper form.

Further, since you do not as yet have administrative approval for the dual completion, you will proceed with the proposed work at your own risk until such time as the approval has been made.

Yours very truly,

OIL CONSERVATION COMMISSION
