Rowan Drilling Company  
903 Trinity Life Building  
Fort Worth, Texas

Gentlemen:

Enclosed herewith are approved copies of Form  
O-101, "Notice of Intention to Drill" for your Will  
Cary Wells #2, #3 and #4, in Sec. 22, T. 22 S., R. 37 E.

As you undoubtedly know, the Oil Conservation Com-  
mission requires a \$5,000 bond for each and every individual  
well or a \$10,000 blanket bond covering all drilling opera-  
tions within the state. The only bond you have on file  
with the Oil Conservation Commission is a \$5,000 bond for  
the Penrose & Rowan Will Cary well #1, in Sec. 22, T. 22 S.,  
R. 37 E., and is carried under the name of Reville G. Penrose.

I am asking the Santa Fe office to send you a form of  
bond that will be acceptable with the Oil Conservation Com-  
mission.

In the future, kindly submit all Drilling reports direct  
to me instead of to the Santa Fe office, however, take the  
matter of the bond up with the Santa Fe office.

Very truly yours,

FJV:t

Encls.

F. J. Vesely,  
State Oil & Gas Inspector.

P. S. This letter and the enclosed forms give you permission  
to proceed with drilling operations on the above-mentioned wells  
until you file a proper bond with the Oil Conservation Commission.
