THE HISTORY OF THE UNITED STATES

OF THE

CONSTITUTION AND GOVERNMENT

The history of the United States is a story of a people who have grown from a small colony of settlers to a great nation. The story begins with the first settlers who came to the New World in search of a better life. They found a land of opportunity, but also a land of hardship. The settlers had to learn to live with the elements and to work the land. They also had to learn to live with each other. The early years were a time of struggle, but the settlers persevered. They built a new society, one that was based on the principles of liberty and justice for all. The story of the United States is a story of a people who have never given up on their dream of a better life.
