Mr. R. R. Spurrier, Director  
Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Dear Mr. Spurrier:

We have today received Form C-103, Report on Deepening Well, on the Rowan Oil Company, Cary #4 Well, Section 22, Township 22, Range 37. This well has been the Rowan Drilling Company et al.

I believe Mr. Rogers from Fort Worth called you last week in regard to changing bond from Rowan Drilling Company to Rowan Oil Company.

Would you please handle this change and advise them as to the exact procedure in changing their drilling and producing wells to Rowan Oil Company. I wrote Mr. Rogers after talking with him last week but I'm afraid I did not make myself exactly clear as to what was expected of him.

Also, Dick, would you advise us immediately as to the Elder and Willingham Bond and the Ralph L. Clark Bond. We are holding Form C-101s pending approval of these bonds.

Very truly yours,
