

## OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

## REPORT OF THE COMMISSIONER OF THE GENERAL LAND OFFICE

For the year ending June 30, 1904

The following report was submitted to the Department of Agriculture by the Commissioner of the General Land Office, in accordance with the provisions of the Act of March 3, 1879, (20 Stat. 419), and the Act of March 3, 1897, (30 Stat. 1073).

The report is divided into two parts, the first of which contains a general statement of the work of the Department during the year, and the second part contains a detailed statement of the work of the various divisions of the Department.

The first part of the report contains a general statement of the work of the Department during the year, and the second part contains a detailed statement of the work of the various divisions of the Department.

The first part of the report contains a general statement of the work of the Department during the year, and the second part contains a detailed statement of the work of the various divisions of the Department.

The first part of the report contains a general statement of the work of the Department during the year, and the second part contains a detailed statement of the work of the various divisions of the Department.
