

Box 1545
Hobbs, New Mexico
August 10, 1948

Rowan Drilling Company
903 Commercial Standard Bldg.
Fort Worth, Texas

Attention: Mr. Thomas Nichols

Gentlemen:

I am returning Form C-102, Notice of Intention to Deepen Well,
for the following reason.

You did not state what you intended to do with the well at its
present stage. The production for May, 1948, was 135 barrels
and for June, 1948, 156 barrels.

Also, please state how much pipe is to be run and how much cement
you intend to use, and return to me for further consideration of
approval.

Very truly yours,

OIL CONSERVATION COMMISSION

5:00 AM

Weldon Bergantz called 8:00 AM 8/12/48
Present production 3-4 barrels daily - not
economical to produce. Will set 5 1/2"
at TD and bring cement back to 3600.
Approved subject to letter giving complete
details.
