RE: Boyd No. 2-Y
Unit H, Section 23,
T-22-S - R-37-E,
Lea County, New Mexico

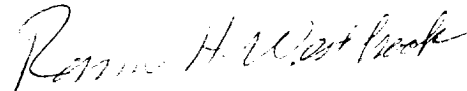

Gentlemen:

Please find enclosed your Forms C-102, C-103 and C-104 to reclassify the Boyd No. 2-Y from Blinebry Gas to Blinebry Oil. We are requesting a Blinebry Oil allowable for this well. We had previously requested that the gas allowable be cancelled.

It is noted that this well remain a dual completion as before, with the Drinkard flowing up the tubing and the Blinebry up the tubing - casing annulus. If you need additional information, please advise.

Thank you for your consideration in this matter.

Yours very truly,

Ronnie H. Westbrook
Vice-President
