Dear Mr. Hendrix:

On November 9, 1972, this office approved Form C-104 indicating that you have taken over the Atlantic Richfield Company Ollie J. Boyd Well No. 5 located in Unit E of Section 23, T-22-S, R-37-E. Since the well is plugged and abandoned, Form C-104 should not have been submitted. Rather, you should submit Form C-101 and Form C-102 indicating your intention to re-enter the well and complete it in the Drinkard Pool.

In order to clarify our records, we will appreciate your submitting Forms C-101 and C-102 at this time.

Yours very truly,

OIL CONSERVATION COMMISSION
