

Was this  
an old well  
at one time?

Yes, it is  
very old  
and has  
been  
used  
for  
a long  
time.

Oil Conservation Commission  
Hobbs, New Mexico

Gentlemen:

Re: Application for Non-Standard  
Proration Unit, No. 1 Denglade,  
NW/4 SE/4, Sec. 24-22S-37E,  
Lee County, New Mexico, 660'  
FNL & 1930' FNL, Sec. 24.

By this letter, we are requesting your consideration in approving  
a non-standard proration unit for the above captioned well.

The reason we are asking for a non-standard proration unit of 80  
acres is that this lease contains only 80 acres, and we were un-  
able to unitize additional acreage to make a standard unit with  
any of the offset operators.

It is our intention that this well be completed as a dual com-  
pletion from the Blinbry and Lubbs zones. Following is the  
list of offset operators:

Gulf Oil Corporation, Box 669, Roswell, New Mexico,  
Phillips Petroleum Co., Bartlesville, Oklahoma,  
Olsen Oils, Inc., 2805 Liberty Park Bldg., Okla. City, Okla.,  
Cosden Petroleum Corp., Box 1311, Big Spring, Texas,  
Ohio Oil Company, Box 552, Midland, Texas.

Your courtesy in regard to this matter is appreciated.

Yours very truly,

*V. Pickett*

V. Pickett, Agent of  
Carl J. Westlund, Inc.
