Gentlemen:

We are returning Form C-103 for your Dangle No. 1 in Unit B of Section 24, T-22-S, R-37-E for more information. Please show the gridding date, the pressure at which each string of casing was tested and the results of the tests. We should like to call to your attention that the test pressure must not be less than 600 pounds per square inch.

Please supply this information and return the form to this office for approval at your earliest convenience.

Yours very truly,

OIL CONSERVATION COMMISSION
