OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

Nov. 8, 1957

R. Olsen Oil Co. Box 691 Jal, New Mexico

Gentlemen:

We are returning Form C-104 for your Sims No. 2 in Unit F of Section 25, T-22-S, R-37-E. You will find enclosed some blank copies of Form C-104 revised 7/1/57; please file this form.

In order to properly classify this well under the provisions of Commission Order No. R-586-B it will be necessary for you to show the gravity of the oil. If the well is classified as an oil well, then it will be necessary for you to submit a revised Form C-128 showing a dedication of only 40 acres.

Yours very truly,

OIL CONSERVATION COMMISSION
