

January 29, 1954

New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

RE: Supplement to that letter of Application
to Dually Complete Western Oil Fields,
Inc., Amanda Sims No. 3, dated
January 21, 1954.

Gentlemen:

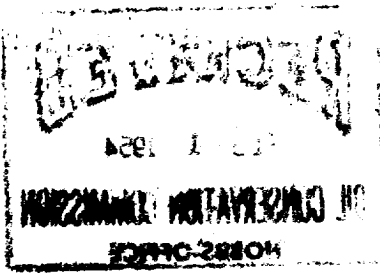

By this letter of supplement, Western Oil Fields, Inc., wishes to
advise you of the following:

- (a) That the well designated in the Application of
January 21, 1954, as the Western Oil Fields,
Inc., Amanda Sims No. 3 is actually carried
on the records of the Commission as the
Amanda Sims No. 1 and there is no Amanda
Sims No. 3.
- (b) That the applicant wishes to amend and correct
the Application to Dually Complete said well,
dated January 21, 1954, to designate same in
conformity with the record as the Western Oil
Fields, Inc., Amanda Sims No. 1.
- (c) That this supplement does not alter or effect
any other part or procedure in connection with
the operation covered in the application dated
January 21, 1954.

Therefore, it is requested that the Commission proceed and attach
this Supplement to said Application to make each a part of the other.

Respectfully submitted,

R. M. Barnholt, Jr.
R. M. Barnholt, Jr.

Dear Sirs: Please find enclosed for the
Commission a copy of the report of the
Geological Survey of the State of California.

The report is a summary of the work of the
Geological Survey of the State of California
for the year 1923. It contains a list of
the principal discoveries of the year.

Very truly yours,

Enclosed for the Commission are also two copies of the
report of the Geological Survey of the State of California.
