## NEW LEXICO OIL CONSERVATION COMI LISION Santa Fe, New Mexico

## NOTICE OF INTENTION TO DRILL OR RECOMPLETE

Notice must be given to the District Office of the Oil Conservation Commission and approval obtained before drilling or recompletion begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in QUINTUPLICATE. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

You are hereby notified that it is our intention to commence the (Drilling) (Texastricum of a well to be known as several properties of the company or operator)  Note that it is our intention to commence the (Drilling) (Texastricum of a well to be known as several properties of the company or operator)  Note that it is our intention to commence the (Drilling) (Texastricum of a well to be known as several properties).
