RE: Plugging Reports

Gentlemen:

Form C-102, Notice of Intention to Plug, your Allie Lee #1-I 26-22-37
was approved on (Verbal) Lease Well No. Unit S-T-R
Your final plugging report, which has been
filed on Form C-103, cannot be approved until a commission representative has
made an inspection of the location to see:

- (1) all pits have been filled and levelled;
- (2) a steel marker, 4" in diameter and approximately 4' above mean ground level, must be set in concrete, this marker must have the quarter-quarter section or unit designation, section, township, range numbers, which shall be permanently stenciled or welded on the marker;
- (3) the location shall be cleared & cleaned of all junk;
- (4) the dead man wires must be cut.

The above are the minimum requirements.

Please notify us by filling in the blank form below when this work has been done
so that our representative will not have to make more than one trip to the location.
