17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was shut down February 1, 1973, as uneconomical to operate due to low oil and high water production. This lease is considered to have potential for secondary recovery. Skelly proposes to continue holding well until converted to water injection in 1976.

Expires 10/1/75

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
