Mr. J. Edgar Hoover, Director, FBI, Washington, D.C.

Dear Mr. Hoover:

I am writing to you regarding the matter of the "Black Book" which was published in 1950. I am sure that you are aware of the fact that this book was published by the United States Government and that it contained a list of names of persons who were considered to be "un-American". I am sure that you are also aware of the fact that this book was published in 1950 and that it contained a list of names of persons who were considered to be "un-American". I am sure that you are also aware of the fact that this book was published in 1950 and that it contained a list of names of persons who were considered to be "un-American".

Very truly yours,
J. Edgar Hoover, Director, FBI, Washington, D.C.
