

EL PASO NATURAL GAS COMPANY

Memorandum

HOBBS OFFICE OCC

Date: August 14, 1962
1962 AUG 16 AM 6:30

Place: Permian Division Office
Dispatching Department

DALFORT OIL COMPANY
E. F. King No. 1 (M-31-22-37)
(60-364-01)

On August 8, 1962, at 7:30 A.M., the above listed well was switched from the section of a high pressure field compressor to the Intermediate Gathering System.

The above change constitutes no pressure change and was made for the convenience of El Paso Natural Gas Company.
