Gentlemen:

A check of the file for your King No. 1 in Unit I of Section 32, T-22-S, R-37-E shows that although you were notified by form letter dated October 1, 1956 that it would be necessary for you to either obtain a casinghead gas connection or secure a No-Flare Order from the Commission not later than December 29, 1956, you have as yet done neither.

You are hereby directed to apply for a No-Flare Order or file Form C-110 showing a casinghead gas connection not later than January 15, 1957. Failure to comply with these instructions will result in allowable cancellation without further notice.

We are enclosing a memorandum for the filing of application for a No-Flare Order for your convenience.

Yours very truly,

OIL CONSERVATION COMMISSION
