Box 950
Midland, Texas

Dear Mr. Elder:

We are still holding your Form C-101, Notice of Intention to Drill, the Elder & Willingham, T. O. May Lease Well No. 1, Sec. 34, T. 22S, R. 37E, Drinkard Pool, Lea County, New Mexico, pending approval of bond.

Upon further checking my bond list I find that C. E. Willingham has a Blanket Bond approved July 28, 1947, which is still in effect. I thought this might be of some interest to you as it was approved on the same day the Elder & Willingham Bond was cancelled.

Will you please advise me as soon as the bond is mailed to Santa Fe so there will be no further delay in approving your Form C-101.

Very truly yours,

Secretary - Hobbs Office
