Hobbs, New Mexico

Gentlemen:

Effective December 1, 1964 your Shell State No. 1 located in Unit D of Section 36, T-22-S, R-37-E is being reclassified as a gas well in the Blinebry Gas Pool. This reclassification is necessitated by your recently submitted gas-oil ratio test for the well.

A gas allowable will be assigned when you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool, and have notified this office by filing the proper forms.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramsey
Supervisor, District 1

OIL CONSERVATION COMMISSION
HOBBBS, NEW MEXICO

1914

At a meeting of the
Oil Conservation Commission
held at Hobbs, New Mexico,
on the 14th day of May, 1914.

The following report was read and approved:
The Commission has received from the
Department of the Interior, Bureau of Land
Management, a copy of the report of the
Geological Survey of the United States,
made by the United States Geological Survey,
on the oil resources of the State of New Mexico.

The report of the Geological Survey of the United States,
made by the United States Geological Survey,
on the oil resources of the State of New Mexico,
is a valuable contribution to the knowledge of the
oil resources of the State of New Mexico.

Very truly yours,

Oil Conservation Commission
