Gentlemen:

We are in receipt of your notice concerning Form C-116 reports the results of Gas-Oil Ratio Tests for our wells in the Cooper Jal Pool.

Our records show that we have only gas wells in the Cooper Jal Pool. The only well producing oil is the Matkins #1 and this well is classified as a gas well producing incidental oil.

If your records do not agree with the above, we would appreciate hearing from you so that this matter can be corrected.

Very truly yours,
WESTERN NATURAL GAS COMPANY
