

# **OIL CONSERVATION COMMISSION**

Santa Fe, New Mexico

## **MISCELLANEOUS REPORTS ON WELLS**

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL

# THE HISTORY OF THE UNITED STATES

OF THE UNITED STATES OF AMERICA

The history of the United States is a story of a young nation that grew from a small group of colonies on the eastern coast of North America into a powerful, independent country. The story begins with the first European settlers, who came to the New World in search of new opportunities and a better life. They found a land of vast natural resources and a people who were different from them. Over time, the colonies developed their own laws, customs, and way of life. They fought for their rights and eventually won their independence from Great Britain in 1776. The new nation was born, and it has since grown into a great power, with a rich history and a bright future.
