CERTIFICATE: I, the undersigned, state that I am the **Assistant** of the **Cosden Petroleum Corporation** (company), and that I was authorized by said company to make this report and that this report was prepared

under its supervision and direction and that the facts stated therein are true, correct and complete to the best of my knowledge.

J. F. Holtan, Jr.
Signature **J. F. Holtan, Jr.**

* Should waivers from all offset operators not be obtained, or if they are not obtained in accordance with the New Mexico Oil Conservation Commission's rules, the application will be held in abeyance for a period of ninety (90) days. After the date of receipt by the Commission's Santa Fe office. If, after said ninety-day period, no protest has been received by the Santa Fe office, the application will then be processed. If the proposed dual completion will result in an unauthorized well producing and/or a non-standard production well in either or both of the producing zones that require application for approval, the well cannot be filed simultaneously with this application.
