Gentlemen:

A check of our records for your Lockhart No. 2 in Unit D of Section 18-, T-22-S, R-38-E, Blinbry Oil Pool, shows that we have no Form C-110 showing the authorized transporter for this well on file. Please file this form at your earliest convenience and also show the casinghead gas transporter if there is a connection. If you have no gas connection, it will be necessary for you to apply for a No-Flare Order to comply with the provisions of Commission Order No. R-610.

Yours very truly,
